RESULTS OF GREEN AND GOLD FENCING TOURNAMENT

Shelton State's Corsair fencing team collected some of their own trophies as they hosted the first Green and Gold Fencing Tournament this past weekend. All of the events were held in the Junior College Division of the college.

In the Premier Event of Men's Foil, Osama Al-Kharafi took first place, Robert Griffith of Mongomery finished second and Harold Blackwood and Dick Demars tied for third.

Corsair coach Bruce Bizzoco said after the tournament he was pleased the team did as well as it did. "A first place and two thirds is not shabby for a team as young as ours," Bizzoco said. "Two of my senior fencers didn't fence, Jason Moore and Jarrod Claybaugh. The new folks had to take up the slack, and they did well."

"Eugenia Dockery placed sixth in the finals of the Open Women's Foil Event and went on the next day to place third in the Class D Event. Jerry Burpee who took third place in the Class D Event was another surprise," Bizzoco said.

Teams other than Shelton participating in the tournament were: Alabama; Vanderbuilt; Atlanta Fencing Club; Birmingham Fencing Club; Auburn; Montgomery Fencing Club.
